

BASIC KITTEN CARE SUPPLIES FOR KITTENS

Available Online or Any Pet Retailer

Bottle Kittens (approx 0-4 weeks)

- [Breeder's Edge Feline Milk Replacer](#) or [KMR Kitten Milk Replacer](#) (*never use cow's milk or any other substitutes*)
- [Pet Ag Nursing Kit](#)
- [Miracle Nipple](#) (*many kittens prefer*)
- [Snuggle Heating Pad](#) Or an alternative is a [DIY rice sock](#)
- A clear plastic tub with the lid off (for kittens 0-3 weeks) or top loading carrier
- Soft blankets (*towels are not ideal as they are loopy and kitten claws will get caught on them*)
- A [medium sized mesh playpen](#) (for kittens 3-8 weeks) if you do not have a confined room to kitten proof

Weaned Kittens/General Supplies (approx 4 weeks and up)

- [Canned Kitten Food](#)
- [Dry Kitten Chow](#)
- Any unscented clay litter (*never use clumping litter for kittens*)
- Litter box and scoop (*aluminum baking trays work great as a disposable option*)
- Stuffed animal for comfort
- [Toys](#) (*never use yarn or string as a toy for kittens*)
