

## FAQ For People Looking to Adopt a Pet through Re-homing

**Q: I am interested in adopting \_\_\_\_\_! Are they available at your Adoption Center?**

**A:** NO! The pets listed on our re-homing site are courtesy listings only. They are in the current owner's home and NOT at our facility. Please do NOT call our Adoption Center. They do not have any additional information about the pets listed for re-homing.

**Q: I am interested in \_\_\_\_\_! How do I apply for them/ contact the owner?**

**A:** Please follow this link \_\_\_\_\_ and fill out an adoption application. The first question will be which pet you are applying for. Once the application has been completed, we will pass it along to the owner for them to look over. You can expect to hear from them or us within 72 hours. \*This time frame may be extended on nights, weekends, and holidays\*.

**Q: Do you have any tips for meeting with the owner(s) of the pet I am interested in?**

**A:** When meeting people to rehome or adopt a pet, please follow your state, local, and federal government guidelines and regulations, in addition to the CDC guidelines for social distancing and proper sanitation.

Always use sound judgement when doing a meet and greet. Use the buddy system and take a trusted friend. This serves two purposes. 1. It is always safer. 2. It gives you a second opinion and can help in the decision making and question process.

We encourage you to take precautions when meeting with people. Meeting in a public location, telling people who you are meeting with when and where. Due to Covid, use outdoor meeting places, wear protective gear, like a mask, gloves and glasses, wash hands and follow social distancing guidelines.
